IMMIGRANTS' LIST NAMES THE 10 BIGGEST OBSTRUCTIONISTS TO IMMIGRATION REFORM

Washington—Immigrants' List--a bipartisan political action committee dedicated to immigration reform—unveiled its Hall of Shame list—comprised of the 10 biggest obstructionists to immigration reform that are running or have run for election this year. The list was compiled by the board members of Immigrants' List along with input from IL's supporters.

Some of the names on the list are: Colorado gubernatorial candidate Tom Tancredo, former Arizona senate candidate JD Hayworth, Mississippi congressman Gene Taylor, US Senator Charles Grassley and US Senate candidate Sharron Angle. Everyone on the list has engaged in a campaign of fear and misinformation about the immigration issue in America, taking the country further and further away from a solution to our broken and dangerous immigration system. The full list is available at:

“By demagoguing the issue of immigration, all of the members of the Hall of Shame have given an endorsement to the current, unsustainable status quo,” says Amy Novick, IL's Executive Director. “We have to move towards a path of collaboration and solutions, not fear and division.”
